FAIRHAVEN WATER DISCUSSED

Superintendent Jeffrey Osuch of the Fairhaven Public Works showed Mattapoisett Selectmen and Water Department officials a map of the Wolf Island site that Fairhaven expects to take by eminent domain. The site is a 40 acre rectangular piece owned by 2 people who oppose the plan. Mr. Osuch said that 2 routes to Fairhaven are under consideration for the pipeline. He had a list of questions concerning the route along Mattapoisett highways. The other alternative is cross country. Osuch said that a special town meeting in January or February will make the decisions after engineering work is complete and firm estimates established.

Mr. Callan is presently librarian and director of the Elizabeth Taber Library, and holds Master's Degrees in History and Library Science. Before taking his present position he taught for ten years; and for fifteen years he lived in a monastery and served as a priest. He speaks both French and Spanish. He lived in France for four years, and later joined the Floating University and spent four months traveling around the world.

Mr. Callan has found antiques a delightful hobby since he purchased his first antique clock at the age of thirteen. He is a licensed antiques dealer and a member of the Massachusetts Association of Auctioneers. His specialty is Chinese Export Porcelain and fine furniture of the 1770-1830 period.

Mr. Callan will speak on "The Ins and Outs of Collecting Antiques", and will cover such topics as what an antique really is, fakes and reproductions, finding antiques, dealing with dealers, taking advantage of the auction psychology, antiques as investments, and educating yourself to know, appreciate and evaluate antiques.

HELLO Remember Me?

Some people call me Old Glory, others call me the Star Spangled Banner, but whatever they call me, I am your Flag, the Flag of the United States of America ... Something has been bothering me, so I thought I might talk it over with you ... because it is about you and me.

I remember some time ago people lined up on both sides of the street to watch the parade and naturally I was leading every parade, proudly waving in the breeze, and when your daddy saw me coming, he immediately removed his hat and placed it against his left shoulder so that the hand was directly over his heart ...remember?

And you, I remember you. Standing there straight as a soldier. You didn't have a hat, but you were giving the right salute. Remember little sister? Not to be outdone, she was saluting the same as you with her right hand over her heart remember?

What happened? I'm still the same old Flag. Oh, I have a few more Stars since you were a boy. A lot more blood has been shed since those parades of long ago.

But now I don't feel as proud as I used to. When I come down your street you just stand there with your hands in your pockets and I may get a small glance and then you look away. Then I see the children running around and shouting ... they don't seem to know who I am ... I saw one man take his hat off then look around; he didn't see anybody else with theirs off so he quickly put his back on.

Is it a sin to be patriotic anymore? Have you forgotten what I stand for and where I've been? ... Anzio, Guadalcanal, Korea and Vietnam. Take a look at the Memorial Honor Rolls sometime, of those who never came back to keep this Republic free ... One Nation under God ... when you salute me, you are actually saluting them.

Well, it won't be long until I'll be coming down your street again. So when you see me, stand straight, place your right hand over your heart ... and I'll salute you, by waving back ... and I'll know that ...

YOU REMEMBERED!

Bowling League

ROCHESTER BOWLING LEAGUE-OCTOBER 28

Nanfelt's Minks tore up Marion Golf Course for all three points on the ever popular alleys 11 and 12. Louis McKay ended all speculation as to his true ability as a bowler by smashing out the first 200 string of his star-studded career. Even Bob Smith (392 for Marion Golf) reluctantly acknowledged the feat with a slight head nod, hardly noticable to even the most astute observer among the onlookers. Buzzy Ladner with 365 was the chief cause of Guaranteed Pest Control's success in defeating Hartley Saw Mill in each string. Eddie Swift (345) was high for Sturtevant and Hook, victims to the pirate team, Bowling Stones, who with Larry Gracia's 403 and Paul White's 409 captured all three points. Herb's T.V. managed to salvage one point in their contest with BowlMor (Jack O'Leary 368). Louie Ouellette was tops for Herb's with 341.

Union Hospital

FUTURE OPERATION ON UNION HOSPITAL
MEETING TONIGHT

The Greater New Bedford-Fall River area council of the Health Services Agency (H.S.A.) will be holding a special meeting on November 5 to make recommendations on the future operation of Union Hospital of New Bedford. The health planners will be discussing the impact of the closure of the Hospital's medical-surgical and I.C.U. facilities.

The meeting, which is open to the public, is being held at 7:00 p.m. at the Pulaski School in the north end of New Bedford.

This meeting resumes the October 14 meeting of the H.S.A. at the New Bedford YWCA which was postponed because the meeting room was unable to accommodate the overwhelming number of people concerned about this closure.

Subsequent to this meeting, the sub-area council will forward its recommendation to the Department of Public Health in Boston. The D.P.H. must make its decision no later than January.

If it is decided that Union Hospital's medical-surgical and I.C.U. services must close, the action would be nearly equivalent to closing the entire facility. Residents of the North End of New Bedford, Rochester, Acushnet and Freetown would be left without a choice of medical facilities and would be forced to travel an unnecessary distance to receive medical care.

Concerned members of the community are urged to attend the open H.S.A. meeting on November 5 as an expression of belief that Union Hospital must continue to operate as a general care medical facility.
